Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§1.56 and 1.97(b), applicant brings to the Examiner's attention the documents listed on attached Form PTO-1449 and cited in the international search report. Copies of the listed documents are attached. Applicant respectfully requests that the Examiner consider the documents listed on attached Form PTO-1449 and indicate that they were considered by making an appropriate notation on this form.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

The following are listed on the accompanying PTO-1449 and are in a non-English language:

1. German Patent Application No. 195 44 391. The relevance of this document is discussed at page 3 of the specification of the present application.

2. German Patent Application No. 196 28 702. The relevance of this document is discussed at page 3 of the specification of the present application as DE 195 27 172. DE 196 28 702 is a continuation application of DE 195 27 172.

3. German Patent Application No. 100 19 707. The relevance of this document is discussed at page 3 of the specification of the present application.

4. German Patent Application No. 100 19 430. The relevance of this document is discussed at page 3 of the specification of the present application.

5. Goehlich et al. - The relevance of this document is discussed at page 3 of the specification of the present application.

6. German Patent Application No. 26 38 609.

In lieu of a statement of relevance or the translation non-English document No. 6 above, enclosed is an English-language international search report from the European Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing these documents and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents. Applicant further reserves the right to take

appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
